ABOUT UNIORA

- Uniora Learnings, registered in Bengaluru, Karnataka, is dedicated to providing high-quality skill training and consultancy services for professionals and students seeking career opportunities both in India and abroad.
- With a team of experienced industry professionals who have personally navigated these processes, Uniora is uniquely positioned to offer practical insights and guidance.
- Our mission is to assist individuals in securing meaningful employment through tailored career counseling, job placement services, and career opportunities.

Our Mission

- At Uniora Learnings, our primary mission is to **increase employability and enable employment for Indian professionals by facilitating placements in parity countries. By building a skilled workforce ready to meet global standards, we aim to enhance India's reputation as a hub for talent and expertise.**
- Focus Countries:
 1. Germany (our current focus with active placement programs)
 2. Future expansion: France, Italy, Japan (targeting critical industries in each country)
- Key Benefits for Participants:
 1. Pay Parity: Address and resolve disparities in pay by facilitating placements in parity countries.
 2. Improved Standard of Living: Enable participants to access global career opportunities that offer a significantly improved quality of life.

About the OPPORTUNITY

- Work Settings: Midsize to large private hospitals or smaller eldercare facilities (not homes).
- Recognition: Become a fully certified nurse after successfully completing the Kenntnisprüfung (recognition exam) or Anpassungskurs (adaptation course).
- Key Responsibilities:
 - Collaborate with doctors for patient care
 - Conduct independent observation and support
 - Provide care across specializations

Core Nursing Functions in Germany:

- Patient Care
- Pediatric Nursing
- Elderly Care

potential

Targeted Skill Development & Career Paths

Nursing Jobs:

- **Market Opportunity:** Germany faces a severe shortage of skilled nurses, with projections indicating a deficit of nearly 1 million nurses by 2030.
- **India's Strength:** India has a vast pool of well-trained nurses, making it the ideal source to fill this gap. Uniora Learnings is capitalizing on this demand by preparing nurses for global placements, ensuring they meet the regulatory and linguistic requirements for countries like Germany.

Ausbildung Programs in Germany:

Vocational Training Opportunities – Ausbildung, or vocational training, offers a unique pathway for Indian professionals and students to specialize in industries that are critical for the European market. Key areas include:

- **Healthcare:** Nursing, Medical Assistants, Dental Assistants
- **IT & Engineering:** IT Specialists, Mechatronics, Automation Technicians
- **Trades & Logistics:** Auto Mechanics, Electricians, Heavy Drivers, Warehouse Logistics
- **Hospitality & Office Work:** Restaurant Management, Office Secretaries, Tourism Specialists

PERKS OF THE OPPORTUNITY

- **Starting Salary:** €2,500 per month (excluding allowances)
- **Post-Recognition Salary:** €2,900 per month (excluding allowances)
- **Dependent Visa:** Available for spouse and children (parents can visit on a tourist visa)
- **No Service Charge:** Zero service fees for this program
- **Visa & Travel:** Visa and one-way flight ticket covered
- **Pension Benefits:** Eligible for pension after 5 years of continuous employment
- **Permanent Residency (PR):** Apply for PR after 5 years of service
- **Work Hours:** Standard 38 to 40 hours per week
- **Financial Flexibility:** No blocked account required for participation in the program
